## RECOMMENDATION LETTER

During the period from February 2016 to June 2017, the company CREDO LLC Vranje, as a General Contractor, performed the works on reconstruction, extension, and upgrading of Basic Court building in Kraljevo. The works are financed by the Instrument for Pre-Accession Assistance (IPA found) carrying out by the EU Delegation in Serbia in accordance with the Contract No CRIS 2015/371-477 signed on 17th December 2015, in the total amount of Eur 1.6 million, on the around 3.750 m2.

This Project has been implemented in two phases respected all rules, procedures and relevant legislation, without any time extension, which is itself a significant achievement, having in mind the specific conditions of reconstruction works and no stoppages of the Court functioning during the works implementation.

Also, it is important to underline that described reconstruction works were performed in accordance with recently adopted legislation related to energy efficiency standards, allowing smooth issuance of relevant Energy Efficiency 'Passport'.

Furthermore, General Contractor, "CREDO" LLC Vranje respected the statutory health and safety measures and all obligations related works prescribed by the Law on Planning and Construction.

Employees have been performed all tasks in high-quality, reliable and on time, on high-level site organization, and on the mutual satisfaction of all participants in the project, taking care about needs of the Investor as well as the end user.

Taking into account above mentioned, we do not have any hesitation in recommending CREDO LLC Vranje to perform similarly or any other project, because they demonstrated to be a serious and reliable company able for successful implementation of the project.
